

06793 SIP Air Body Saw

Part No: 06793

Price: £54.00 (exc VAT) | £64.80 (inc VAT)

Specifications

06793 SIP Air Body Saw

The SIP Air Body Saw is ideal for body repair, muffler, and exhaust work.

It is designed to be safe, achieved by a safety lever that prevents accidental startups, and anti-vibration cover.

10,000 strokes/min operating speed

90psi (6.3 bar) operating pressure

Low 4CFM average air consumption

Safety lever prevents accidental startups

Anti-vibration cover for operator comfort

Nicely balanced for reduced vibration

Durable and reliable construction

1/4" BSP air inlet

Speed 10,000 rpm

Operating Pressure 90psi (6.3 bar)

Air Consumption 4CFM

Air Inlet 1/4" Bsp

Noise Level 81dB(A)

Vibration 6.2 m/s
