Specifications

09824 SIP Tyre & Wheel Cart

Winntec Tyre & Wheel Cart

The Winntec Tyre & Wheel Cart has a unique push-slide-secure automatic locking system that eliminates the need for inefficient, wear-sensitive jaws.

A power-coated steel frame adds strength.

200kg maximum weight capacity

Supports 14" to 20" wheel diameters

Rugged powder-coated folding frame

Push-slide secure auto locking system

Durable non-marking foam-filled tyres

Ergonomic cart with patented tilting

Extender kit available to purchase

Premium European design

Winntec 3 year warranty
