

## 11870100 Karcher HD 6/15 G Classic Pressure Washer Karcher

**Part No:** 11870100

**Price:** £550.00 (exc VAT) | £660.00 (inc VAT)

### Specifications

11870100 Karcher HD 6/15 G Classic Pressure Washer Karcher

Compact and mobile HD 6/15 G Classic cold water high-pressure cleaner with petrol engine and robust crankshaft pump.

Ideally suited for municipalities, construction and handcraft.

The compact HD 6/15 G Classic is the ideal entry-level machine for starting out in the world of petrol-powered, mobile cold water high-pressure cleaners from Kärcher.

Extremely easily transportable in a car, it can complete even more demanding cleaning tasks, for example on construction sites or in municipalities.

With a working pressure of up to 150 bar, a robust crankshaft pump and a water volume of up to 600 litres per hour.

The integrated petrol engine (EU STAGE V) allows autonomy from external power sources, air-filled

wheels guarantee the required mobility in its place of use.

The ergonomic push handle and the practical accessory storage ensures user-friendly handling.

The components, protected through thermo and safety valves, are easily accessible.

The stable tubular steel frame of the HD 6/15 G Classic also reliably prevents damage resulting from external mechanical effects.

The HD 6/15 G Classic is the perfect entry-level model for those new to Kärcher's range of petrol-powered, mobile cold water high-pressure cleaners.

Compact and easily transportable by car, it handles tough cleaning jobs with ease-whether on construction sites or in municipal settings.

With a working pressure of up to 150 bar, a durable crankshaft pump, and a water flow rate of up to 600 liters per hour, it's built for demanding tasks.

#### Specifications:

Trigger gun: Standard
