

## 11870120 Karcher HD 8/23 G Classic

**Part No:** 11870120

**Price:** £958.00 (exc VAT) | £1149.60 (inc VAT)

### Specifications

11870120 Karcher HD 8/23 G Classic

Self-sufficient, mobile, powerful: HD 8/23 G Classic cold water high-pressure cleaner with robust crankshaft pump and petrol engine.

For demanding applications in construction and municipalities.

Construction sites, public parks and other, often remote, places of use:

Wherever there are no external power sources available for your demanding cleaning tasks, our HD 8/23 G Classic cold water high-pressure cleaner with EU STAGE V petrol engine is the perfect choice.

With an hourly water volume of 800 litres, a working pressure of 230 bar and the robust crankshaft pump, the machine masters even more challenging cleaning tasks reliably.

HD 8/23 G Classic is extremely user-friendly, mobile and easily transportable by car, thanks to its ergonomic push handle, practical accessory storage, compact dimensions and puncture-proof wheels.

The machine also impresses with easily accessible components that are effectively protected by a

large water filter and a thermo and safety valve.

To prevent damage resulting from external influences, machine features a highly robust tubular steel frame.

Specifications:

Flow Rate (l/h) 800

Operating pressure (bar/MPa) 230 / 23

Max. Pressure (bar/MPa) 280 / 28

Water feed 3/4"

Drive type Petrol

Motor type G300FA

number of simultaneous users 1
