Specifications

182180091/0 GGP 12v 1A Lawnmower Battery Charger

Genuine Mountfield Battery Charger 12v UK Plug 182180091/0. Suitable for many Mountfield & Stiga Ride On Lawnmowers.

Original Number : 182180091/0, 1821800910

Use occasionally to keep your Lawnmower Battery charged and ready for use in the new season over the winter storage months.

Batteries that are left to run down to flat in Cold weather and are left uncharged, can often fail and are sometimes not recoverable even with intelligent Chargers.
