Specifications

1911-9226-01 Strimmer Nylon Head M10-Female L/H-Thread - fits various models see list in description below

Tap-N-Go head for brushcutters, double line, 109 mm in diameter. Adaptor included

Double-line head accessory with Tap-N-Go technology.

The head has a diameter of 109 mm; the package includes a M10 x 1.25 LH F adaptor.

The Tap-N-Go technology makes it possible to extend the line by simply tapping the head on the ground making this task quick and easy.

The new product design also makes it more robust and easy to handle.

This head is compatible with STIGA brushcutter models SBC 226 J and SBC 226 JD, and the multi-function SMT 226
