2023117110600874 M6-M12 Fasteners Module Nut and Bolt Stand

Part No: 2023117110600874

Price: £695.00 (exc VAT) | £834.00 (inc VAT)

Specifications

2023117110600874 M6-M12 Fasteners Module Nut and Bolt Stand

****Free of charge 10 Shelf Stand + 45 Storage Bins included ****

Enjoy great savings on this comprehensive kit of nuts, bolts, lock nuts, flat washers, spring washers and bodywork washers covering M6 to M12 sizes.

Whether you are an agricultural engineer, fabricator or run a farm workshop, this great offer from Kramp allows you a one-stop fasteners facility containing over 3300 individual pieces.

Additionally, you can create easy 'add-on business' retailing the fixings parts which are DIN 8.8 quality rated.

These typically present greater value for money than blister-packed small quantity

purchases which are often of unknown quality and material rating.

All fixings are DIN 8.8 rated Quality zinc plated parts.

Fits in 1 complete tower stand with 10 levels.

Kit consists:

List of Fittings

Qty	Part no.	Description	Size (mm)
