### Specifications

Stiga HT725 Hedgetrimmer

The HT 725 petrol hedge trimmer brings you exceptional performance and comfort, thanks to its lightweight and balanced engine.

Its dual-action 60cm diamond-laser-cut hard tin-plated blades deliver reliable and precise cuts every time.

Plus, the HT 725 makes cutting easy, with an innovative multi-point anti-vibration spring system minimising stress on your hands and arms.

Lightweight, balanced and high-performance engine

60cm dual-action diamond-laser-cut blades

Innovative anti-vibration system

Easy disassembly for fast blade sharpening

Ergonomic and adjustable front and rear handles

Safe and simple to use, with easy-to-access air filter
