**Price:** £115.83 (exc VAT) Save £16.67

(RRP £132.50) | £139.00 (inc VAT)

### Specifications

Stiga BC 330 A Brushcutter 287120102/ST2

The Stiga BC330A Brushcutter is powered by a 25.4 cc petrol engine, fitted with straight shaft, single handle and has a 43 cm cutting width.

A 3 T Blade for cutting thicker material is also included with the product. The BC330 A uses 2.4mm Nylon Line

This brushcutter has a jointed shaft meaning it can be separated into two parts to save storage space and for easier transportation.

The single loop handle is ergonomic and makes the machine very manoeuvrable thanks to the supplied single harness.

The BC 330 A has a nylon Tap&Go head which quickly releases the line by simply tapping it on the ground.

The 255 mm 3T blade is ideal for cutting brushwood.

The BC330 A is 1890mm long assembled.

5 year warranty

This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.

We also provide full parts backup, servicing and workshop facilities by our own Mountfield & Stiga trained and accredited staff.

**\*Warranty Terms & Conditions.**

To maintain the 5 year warranty the mower must be serviced before the end of the first year of ownership and annually thereafter by an authorised Mountfield dealer.

Failure to keep the Mower serviced at these intervals will result in the warranty reverting to a standard warranty period.
