Specifications

Mountfield Electress 30 Mower c/w 1 Battery & Charger

The new Freedom 100 range of garden tools offer the perfect selection for any small job in smaller gardens.

Lightweight and easy to use without the mess and fumes of petrol, this cordless battery range offers great value for money.

With no fumes and no starting problems, the Electress 30 Li lawnmower, the first mower in the Freedom 100 line up, is a real pleasure to use.

Combined with the latest Powered by STIGA E-Power 20V Lithium-ion battery and electric motor technology this mower delivers great running times and is incredibly energy efficient.

The Electress 30 Li hand-propelled mower has a 30cm cutting width and features 3 different cutting height positions ranging from 25-65mm.

With grooved wheels for better traction and a polypropylene chassis that is not only lightweight but also rust-proof, this mower in Mountfield red certainly looks the part!

Grass cuttings are blown into the 30-litre collector that is easy to remove for emptying and the handles fold over for storage purposes.

The 20V 4Ah battery and standard charger are included and with a 2-year manufacturer's warranty this mower is a must-have! Suitable for gardens up to 150sqm with a run time dependent on conditions of 20mins.

Product dimensions: Length 118 cm x Width 40 cm x 96 cm

2 year warranty

Have you checked out all the other products in the Freedom100 series - the same battery system powers a number of handheld products which will compliment this mower.
