Specifications

Mountfield Empress 46Li Roller

Achieve striped perfection with the impressive Empress 46 Roller Li lawnmower.

Powered by 48V STIGA ePower batteries and a 1500W brushless motor – all the power of Petrol but with none of the hassle.

A generous 46cm cutting width, 55 litre collector and five cutting heights make this roller mower a must-have for any gardening enthusiast!

Powered by Stiga ePower 48V Lithium-ion batteries

Large rear-roller for a striped finish

Self-propelled

46cm cutting width

55 litre grass collector

2 x 4Ah batteries & dual charger included

The 1500W brushless motor offers significantly more power to drive the larger cutting deck, full width rear roller and self-drive function.

The two 4Ah Lithium-ion batteries work in harmony to deliver powerful and reliable performance.

The Empress 46 Roller Li has a fixed forward speed of 3.7km/h and offers a 46cm cutting width - ideal for larger lawns.

With five cutting heights, ranging from 20-70mm all easily adjusted using a central lever, this Empress can tackle most lengths of grass.

Clippings are easily collected into the generous 55 litre hybrid textile grass bag with handy 'bag full' indicator.

Being battery powered, this mower is quieter than its petrol equivalent - making it a favourite with your neighbours too!

What's more they are virtually maintenance free with no messy petrol oil or fiddly spark plugs to replace. Just simply charge-up your batteries and mow!

Fold-down the handles after use, pop the battery on charge and everything is ready for your next peaceful mow.

Backed by a 5-year warranty. (T&C's apply).

The Empress 46 Roller Li mower features in the freedom500 battery range of garden tools and mowers, offering all the power of petrol but with the convenience of cordless.

The range is powered by Stiga ePower 48V Lithium-Ion battery technology with interchangeable batteries and offers lightweight and ergonomic garden tools for all your gardening needs.

NOTE: Please be aware this product is not compatible with the previous Freedom 48 range produced prior to 2020
