

Sweeper 105 cm (Multi Connect)

Part No: 299900500/1

Price: £1765.83 (exc VAT) | £2119.00 (inc VAT)

Specifications

Sweeper 105 cm (Multi Connect)

The original front outdoor sweeper accessory for garden tractors is perfect for clearing fresh snow, sand, earth and leaves from drive-and walkways.

(To be driven the Front Sweeper requires the appropriate Power take-off drive system sold separately which allows the Engine power to be supplied to the implement.)

The brush has a diameter of 40 cm and working width of 105 cm.

This accessory is ideal to be used especially in Autumn and Winter.

Working width 105 cm

Brush diameter 40 mm
