Part No: 2I1000100/17

Price: £499.17 (exc VAT) | £599.00 (inc VAT)

Specifications

2I1000100/17 PTO KIT (Multi Connect System)

Single interface for connecting certain tools, such as the snow blade, outdoor sweeper and others depending on the model.

It transfers power from the tractor engine to the front attachment.

The PTO kit can be fixed to the chassis and left on even when no parts and accessories are mounted or being used.
