(RRP £215.83) | £229.00 (inc VAT)

Specifications

2L0431048/M19 Mountfield HP42

The Mountfield HP42 hand propelled lawnmower is ideal for small to medium sized lawns and will easily handle a 20m x 20m size lawn.

The HP42 is powered by a Stiga ST120 123cc 4 stroke engine, driving a 41cm cutting blade.

A single lever allows quick and easy blade height setting of any of the 6 pre-set cutting positions across a 22mm to 65mm range.

The easy to remove grass collector holds 60 litres of grass clippings and has a full bag indicator.

Alternatively, you can fit the included Mulching Plug which directs the cuttings back into the lawn to provide lawn nourishment.

The HP42 is light and easy to use, extremely economical to run and the fold down control handle makes it easy to store.

The attractively finished steel Deck is stylish and hard wearing and will give you many years of service.

If your lawn is on sloping ground, you might want to consider the SP42 self propelled model.

Product dimensions: 140 L x 54 W x 112 H cm

The HP42 comes with a 5 year warranty.*

This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.
