**Price:** £357.50 (exc VAT) Save £58.33

(RRP £415.83) | £429.00 (inc VAT)

### Specifications

#### **Mountfield SP53 Elite**

The SP53 Elite is a suitable mower for large sized lawns up to 50m x 50m in size.

It is powered by the well-known Honda GCVx170 OHV 167cc Autochoke engine, which drives a 51cm cutting width blade.

With a single lever, you can choose any one of the pre-set 6 cutting height across a 22 - 80mm range.

The 60L fabric grass collector features a usefull full bag indicator.

Alternatively, by fitting the Mulching Plug you can direct the clippings back into your lawn to provide future growth nourishment.

The steel cutting deck features a Wash link garden hose connection, allowing you easily clean the inside of the cutting deck after use.

Larger rear wheels assist the SP53 Elite to operate over undulating ground and on longer grass, enhancing the functionality of the mower.

The powerful engine ensures you can handle grass cutting on larger sized lawns.

Both the front and rear wheels are ball bearing fitted.

Product dimensions: 169 L x 56 W x 107 H cm
