

3206BT VH Angular contact ball bearing

Part No: 3206BT VH

Price: £31.92 (exc VAT) | £38.30 (inc VAT)

Specifications

3206BT VH Angular contact ball bearing

Features:

- Double-row angular contact ball bearing
- Open design
- Suitable for radial and axial loads

Dimensions (see second image for key)

d Inside diameter 30 mm

D Outside diameter 62 mm

B Width 23.8 mm

Specifications:

Basic radial load static 21,200 N

Basic radial load dynamic 30,000 N

Ref rotation speed 9500 r/min
