

720004GP Chain Spray 400ml

Part No: 720004GP

Price: £3.99 (exc VAT) | £4.79 (inc VAT)

Specifications

720004GP Chain Spray 400ml

Specifications - Lubricant for treating chain drive transfer systems subjected to heavy loads

Benefits - The chain spray has excellent mechanical and thermal stability, therefore preventing wear and seizing

- The chain spray is resistant to weathering, as well as to weak acids and bases. It is also water-repellent and pH-neutral

Application - The chain spray has the properties of grease, but can be used as an oil

- The chain spray is resistant to temperatures between -50°C and +200°C
