### Specifications

CS-310ES Echo CS-310ES Chainsaw 30.5cc (14")

**This Garden Machinery product is only available for delivery to the following local Postcodes HR, WR, SY & LD.**

ECHO's CS-310ES is a lightweight, extremely well-balanced rear handle chainsaw.

It has a premium grade 30.5cc Power Boost Vortex™ engine for both power and durability.

The top-mounted air filter is positioned away from dirt and debris for better filtration.

Easy Start spring-assisted starting requires minimum effort – a warm engine only requires a short pull on the recoil rope.

The saw has a dual-post chain brake for increased durability, while the automatic oiler delivers optimum lubrication.

The CS-310ES is an ideal tool for pruning and logging.
