## E/Start3012 Electrostart 3000A 12V

Part No: E/START3012 Price: £319.95 (exc VAT) Save £175.01 (RRP £494.96) | £383.94 (inc VAT)

## **Specifications**

E/Start3012 Electrostart 3000A 12V

## Features:

• Innovative patented technology with no internal battery so no need to wait hours for the unit to charge before use.

- Simple and safe to use with no long term battery storage issues.
- Ultracapacitors can be fully energised in a matter of minutes.
- If the vehicle battery is faulty or is holding less than 5 volts the E/START3012 can be pre-charged via another vehicle's 12V battery.
- Compact and lightweight for easy handling and storage, yet still delivers the same result as heavy, bulky, lead acid battery equivalents.
- Ideal for the professional mechanic and DIY users.
- Supplied in a tough storage case.
