Part No: G1440

Price: £4.95 (exc VAT) | £5.94 (inc VAT)

Specifications

G1440 Granville 10k Stop Leak Power Steering Fluid

10K Boost Power Steering Fluid will stop and prevent leaks in power steering systems conditioning the seals, it will also help to prevent power steering squeals and chatter.

10K Boost Power Steering Fluid can be used as a top up for the system where a manufacturer recommends this fluid.

Not suitable for vehicles where a central hydraulic fluid is required.
