Specifications

Sealey LED LED360 Light Rechargeable 360° Inspection Lamp 10 SMD LED + 3W LED Black Lithium-ion

Unique and innovative 360° swivel and tilt function enables the light source to be positioned in any direction.

Exclusive patented design owned and registered to Sealey.

Each lamp houses 10 super bright SMD LEDs providing up to 400 lumens output with 120° spread of light, illuminating the whole work area.

Includes an additional high power 3W LED in the end for use as a directional torch.

Features two swivel hooks and three rubber covered magnets, two on the rear and one on the end, which allow hands free operation.

High quality 2.2Ah Lithium-ion battery for longer life, no memory effect and a much slower discharge than traditional Ni-MH batteries.

Supplied with mains and in-car charger.
