Specifications

Exol Optifarm Ultra 10w-40 Universal Oil Semi Synthetic 205 Litre M427B01

A highly advanced universal oil designed for use in a comprehensive range of off-highway vehicles found in the agricultural and plant sectors.

Harvest Ultrafarm SS 10W-40 is based on synthetic base stocks and highly refined mineral base oils and incorporates a state of the art additive system which includes shear stable polymers, anti-foaming agents, anti-oxidants and demulsifier additives which are vital for satisfactory performance in complex transmission, hydraulic and wet brake systems.

In addition, a balanced combination of dispersants, detergents and anti-wear additives ensures that this universal oil provides outstanding engine protection.
