Price: £10.14 (exc VAT) | £12.17 (inc VAT)

Specifications

Dauids IsoPON P40 Filler

ISOPON P40 polyester glass fibre filler is a two component chemical paste used for the bridging of Holes and rust in surfaces such as steel and GRP.

ISOPON P40 forms a very hard wearing durable surface and can be sanded and shaped if required.

It is easily covered with standard polyester filler or can be over painted directly.

Glass fibre compound for bridging holes and rust Sets in 20 minutes and bonds to metal and glass creating a weatherproof seal.
