

SL580013 Heater hose 1/2" Priced per Metre length

Part No: SL580013

Price: £4.12 (exc VAT) | £4.94 (inc VAT)

Specifications

SL580013 Heater hose 1/2"

Priced per Metre length

Technical information

- Economic hot water and cooling liquid hose for the automotive replacement market
- Tube and cover EPDM black smooth zone and ageing resistant
- 2 layer synthetic fibre reinforcement
- Suitable for common cooling liquids
- Tolerances acc. ISO R 1307 type C (non mandrel extrusion)

- Max. 125 °C non pressurized

Hose material inside Smooth black

Hose material outside Smooth black

Working pressure 4 BAR

Internal Ø (mm) 13 mm

Roll length 50 m

Temperature range - 40 <> + 125 °C

Outside Ø (mm) 20 mm
