Price: £45.59 (exc VAT) | £54.71 (inc VAT)

Specifications

VLB4349 Vehicle Cleaner Traffic Film Remover 25 Litre

A specially developed blend of surfactants, which combine to give excellent cleaning properties and is ideal for use on vehicle bodywork.

Also imparts a 'just waxed' look to newly cleaned surfaces.

Suitable for hand and pressure washing but is extensively used in roll over brush wash systems.

Will also be suitable for any area where grease and oil is a problem and a more 'neutral' product is required.

- Easily and gently removes road dirt and grime
- Does not contain ingredients which accelerate metal corrosion
- Safe on most Paintwork, Metal Surfaces, Glass and Rubber
- Contains rinse and shine Additives

- Effective in hard and soft Waters
- Biodegradable
- Non-caustic
- Neutral Formula Application Vehicle and General cleaning: Use Ratio at up to 1 to 40 parts warm water.

Pre-wet vehicle to remove loose dirt and grit.

Apply solution to vehicle with sponge or brush.

Work into dirt and rinse off well.

An improved can be obtained by light buffing.

For general cleaning use at 1:30 via pressure washer, apply under low pressure and allow 2 - 3 minutes contact time before blasting off.

Pressure washing: Pre-dilute 1:1 in water and use via machine dilution system.

Heavy duty & spot cleaning: Use as supplied via trigger spray (or as per recommendation of equipment supplier).
