Price: £59.49 (exc VAT) | £71.39 (inc VAT)

Specifications

VLB4350 Foaming Cleaner 25 Litres

Neutral Snowfoam Cleaner A new generation premium quality, foaming, water-based pre wash treatment, designed to soak and saturate soiled vehicle paintwork prior to the application of vehicle shampoo.

It is gentle and is suitable for use with all pressure washer foam lances.

- Pre-wash non-contact cleaner
- Ultra stable foaming properties for maximum effect
- Does not strip wax, sealant or polish (neutral)
- Safe for use on most automotive paint finishes
- Directions For Use: Concentrated Product: Pre-dilute 25-1 with water prior to use.

Using a spray foam gun applicator, simply spray over surface to be cleaned.

Allow a couple of minutes contact time for the foam to penetrate surface soiling, if necessary agitate with a soft sponge / mitten and rinse off with water.

Thoroughly dry.
