Part No: VLC1090

Price: £166.00 (exc VAT) | £199.20 (inc VAT)

Specifications

VLC1090 NOCO Jump Starter 12v 1750A

Portable lithium jump starter for 12-volt batteries in vehicles up to 7.5 litres petrol and 5 litres diesel engines.

Including cars, motorcycles, trucks, ATVs, boats, RVs, vans, SUVs, tractors, and more.

- An all-new design with extreme jump starting power for powerful engine starts. Rated at 1750-amps, this portable lithium car battery jump starter releases maximum energy at every start. This isn't an upgrade.

It's a whole new series - the Extreme Series.

- Equipped with USB-C technology that, combined with power delivery, gives you lightning-fast recharges. Completely recharges in just 1.2-hours, or go from 0% to jump starting in just 5-minutes of charge.

- Charge everything with USB-C Power Delivery. Its internal power bank provides 60-watts of power - both in and out - to effortlessly power your favourite USB-C devices, like phones, tablets, laptops, wearables, and more.

- Has UltraSafe technology enabling mistake-free design featuring spark-proof technology and reverse polarity protection, with enhanced thermal efficiency and power management to provide better performance and longer battery life.
- It's one of the most versatile lithium jump starters ever. Jump start all vehicle types, including cars, motorcycles, trucks, ATVs, boats, RVs, vans, SUVs, tractors, and more for up to 7.5 litres petrol and 5 litres diesel engines.
