

VLC5121 Reverse Camera 7"

Part No: VLC5121

Price: £148.08 (exc VAT) | £177.70 (inc VAT)

Specifications

VLC5121 Reverse Camera 7"

The camera features an improved 7" digital monitor and a durable IP67-rated AHD Camera with CMOS lens.

This allows for 1080p resolution for the clearest vision when reversing.

It has 2 channels so allows you to link up with a second camera for extra angles or a cabin view.

It also features a 120° field of view and a fully adjustable camera bracket for optimum viewing.

The monitor comes with a choice of a mountable U-bracket or a 3M adhesive mount for extra convenience.
