Specifications

XMS24EBOOT11 Dewalt Extreme Safety Boots

The XMS Wheat Extreme Safety Boots by DeWALT Size 8 provide the comfort and safety features you need.

The boots have a lightweight construction with full grain leather uppers - they look the part too.

This is an XMS Exclusive you surely cannot miss!

The sole is oil and slip resistant, and how about this - they are heat-resistant to 300°C and the steel toecaps can withstand up to 200 Joules of pressure.

Always thinking of you, the wearer, a moulded midsole helps support your foot, whilst dual density removable insoles ensure the boots are comfortable to wear.

EN Test: CE EN ISO 20345-2011.

Safety Rating: SBP.

Slip Rating: SRC.

1 x Pair of XMS DEWALT Extreme Safety Boots Wheat UK 11 EUR 45.
